Warm welcome to Gabriella Browne, Manager Housing & Partnerships

This month we welcome our new Manager of Housing & Partnerships, Gabriella Browne to the Active team.

Gabriella was born and raised in Preston, then moved to Sedgwick near Bendigo for a taste of the quiet life to raise her three children. She loves to cook for family and friends and enjoys working on her farm and little vineyard. Gabriella also has an interest in artistic pursuits including sewing, painting, theatre, music and she, of course, loves hanging out with her kids.

Gabriella has extensive experience in the community, health and human services sectors including disability housing and support services, aged care, child, youth and family services and the criminal justice system.

Over the next few months, some of Gabriella's key projects will be to meet all of our fantastic partners and to work on the St Albans' Specialist Disability Accommodation (SDA) project. Gabriella will be working closely with annecto to invite EOIs and fill vacancies at this SDA project, consisting of four villa units in Melbourne's west.

Welcome to the team Gabriella!

St Albans Housing Project Update

The Browne Avenue project, located in Melbourne's west in St Albans, will deliver four specialist disability accommodation villa units to help cater for the growing demand from NDIS SDA participants in the area.

The accommodation features an on-site staff unit to provide 24 hour support, which will be provided by annecto.

Annecto are currently seeking expressions of interest and soon we will be working with prospective tenants to help them make their transition to their new homes.

We are pleased to advise that this project is running according to schedule and is due to be completed in September this year.
