

Halloween Fun

Our annual tenant Halloween function this year was a huge success!

Thank you to all of our tenants who attended and to Carmela Cassar and the housing team for organising.

This year we had lots of decorations, a face painter and our regular singer and performer, Sean, who sung all the classic sing-a-longs.

Here are some photos from the Halloween party:

Introducing Haven; Home, Safe

As many of you are aware, Active have now merged with Haven; Home, Safe. We would like all of our tenants and valued partners to know that Active will still be operating and caring for our tenants, as we always have, but now we will have improved capability to provide even more services.

Haven; Home, Home assist thousands of people each year who are in housing crisis, homelessness or in financial stress. They have been providing services to the homeless and disadvantaged for four decades across the Loddon and Mallee regions of the state.

“We are two values-based, not-for-profit organisations that have seen the benefits of scale and worked together closely to create a better outcome for the people we support, our staff, our stakeholders and the community in general... For the people we support, our staff, our stakeholders and our communities, it is very much business as usual.”

- ***Haven; Home, Safe Acting Chair,
Jan Boynton***

WHEN: Thursday 5th December,
12pm – 3.30pm

WHERE: Yarraville / Footscray
Bowling Club, 339A Francis St,
Yarraville

RSVP: Carmela or Molly on (03)
9314 8555 by 30th November 2019.

Tenant Story: Meet Rebecca and Tyson

We welcomed Rebecca and her son Tyson to their St Albans home in June. Their new home features 3 bedrooms, a large lounge room, a fully wheelchair accessible bathroom, hoist and a spacious backyard with plenty of room for Tyson to play in. Tyson, who is 14, faces medical issues and disabilities and uses a wheelchair.

However, with Active, the Royal Children's Hospital, Rebecca and Tyson all working together we have achieved a great outcome.

“Active are the best housing organisation to grow with Tyson as they are most willing to help with that process. Things such as home modifications are a huge help, especially as Tyson is tall and seems to keep growing.”

Great work by Carmela and Molly in the Housing team who were able to move Rebecca and Tyson from a smaller Active property to a home with modifications, space for wheelchair equipment and a leafy big garden which much better suited their needs.

Rebecca and Tyson are a great family to work with.
